Education

Evergreen Valley College, Associate of Science for Transfer in Computer Science.   Expected Spring 2026

Champlain Regional College Saint-Lambert, Associate of Science in Computer Science and Technology.   Aug. 2019 – May 2023

- GPA: 3.4/4.0

Experience

.NET Developer Intern, SERTI Keyloop – Montreal, Canada   Mar. 2023 – May 2023

- Worked on mission-critical programs in C# and VB.NET.
- Used JIRA to keep track of tasks and issues that needed to be resolved.
- Participated in Scrum meetings with the team to monitor progress and ensure that it was aligned with the product vision in each sprint.

Student IT Technician, Champlain Regional College – Saint-Lambert, Canada   Oct. 2022 – Feb. 2023

- Checked the laptops and other electronic devices in the college for bugs and internal problems with the IT team.
- Kept track of requests, tasks, and problems on the college JIRA platform.
- Assisted students and faculty members with issues related to printing, network connectivity, passwords, and any hardware-related problems.

Projects

Ste-Helene Inventory Management System   Dec. 2021 – Feb. 2022

- Developed a web-based inventory management system for a convenience store. Supports French/English, user authentication, and the 4 CRUD functionalities.
- Tools used: Java, Spring Boot, VueJS, Docker, Selenium, JUnit5.
- Back-end: github.com/harifuda/Ste-Helene_Inventory_Manager
- Front-end: github.com/Dratorz/Inventory_manager_vue

Wallaby - iOS Wallpaper App   Dec. 2022

- Developed a simple wallpaper app that queries Unsplash through its API. Supports favoriting a wallpaper and storing it in the device.
- Tools used: SwiftUI, Unsplash API, XCTest, Firebase.
- Link: github.com/harifuda/Wallaby

Web portfolio   Feb. 2023 – May 2023

- Showcases some of my hobbies, skills, and the projects I've worked on in the past.
- Tools used: GatsbyJS, Tailwind, SCSS, Firebase, React, Vercel, Getform.io.
- Link: github.com/harifuda/my-portfolio
